CARTRIDGE INSTRUCTIONS

FOOTBALL

(FOR TWO PLAYERS)

You're on your own 48 yard line 4th down 3 yards to go! You call it! Run wide or off tackle pass or punt? With INTELLIVISION™ NFL FOOTBALL by Mattel Electronics™ you have your own playbook with over 160 offensive plays plus 10 defensive sets! On offense you control the ball carrier, your opponent controls his free safety. Computer controls the other linemen. Excitement strategy fingertip electronic control! Your TV set becomes a gridiron!

If you want to play winning INTELLIVISION football read this booklet.

This package contains one NFL FOOTBALL cartridge, two controller overlays, playbooks and complete playing instructions.

NFL FOOTBALL cartridge. Sixty hard-driving minutes of gridiron action! (Simulated time.) Every play a new challenge! This is it! America's most exciting video game! You call your offensive plays while your opponent sets the defense. The pressure-cooking fever of a real NFL game!

1. Running Plays. Passing Plays. Punts! Two-point Safety!
2. You and your opponent call the offensive plays and set the defensive strategy. Outwit each other!
3. It's a drop-back pass. Your opponent has outguessed you and is blitzing. You scramble for the ball or get sacked!

- A two player game!
- You and your opponent call real NFL plays and control all the action!
- Offensive Plays! Up the middle, drop backs, passing around the end, more!
- Defensive Sets! Prevent blitzes, go for interception, more!
- Scoreboard and commentator scoring tells you DOWNS, YARDS TO GO, TIME OUTS, TIME REMAINING and SCORE OF GAME!
- Simulated sound effects such as: the crowd cheers, victory tune, referee's whistle and much more!
- Developed in conjunction with the National Football League!
